

K-12 Variable Tuition for 2025-2026

JCS is a private, Christian school that charges annual tuition and fees. In an effort to make an academically excellent, Bible-based education available to as many mission appropriate families as possible, families of students in **Kindergarten through Twelfth grade** may apply for need based assistance through our Variable Tuition Program. Applications are submitted through FACTS Grant and Aid, a third-party service that evaluates applications based on family financial information and documentation. The JCS business office evaluates FACTS recommendations and applies the appropriate Variable Tuition award. Variable Tuition awards are disbursed within our available resources and therefore are limited. JCS also has additional discounts listed below. For each student in a family, bookkeeping will apply the greatest discount for which a student is eligible. Discounts are not combined other than in the case of the annual pay discount.
